

Tax Credit Program for Individuals

The Tax Credit Program is a unique way for individuals to support Independence Mission Schools and one of the fifteen schools in our system.

Tax Credit and how it works:

- For a one-year commitment, individuals receive a tax credit of 75% of their contribution and a Federal tax deduction for the remaining 25%.
- For a two-year commitment, individuals receive a tax credit of 90% of their contribution and a Federal tax deduction for the remaining 10%.

The Process and what to expect:

The process is fairly simple for all involved.

Once an individual decides that they would like to participate, we connect them with Nick Voight. Nick will meet with them to explain the program and what to expect.

We are here to make it as simple as possible for the Donor.

Once an amount is determined, we will begin the simple, but effective, process to finalize.
