

## **ATTENTION – SCHOOL CLOSURE – FRIDAY MARCH 13, 2020**

Dear Parents and Guardians,

Due to the quarantine activated today for Montgomery county, **we are closing school on Friday March 13, 2020** in an effort to assess this situation and determine our next steps.

We need to evaluate if we can effectively staff our schools as a significant amount of our staff live in Montgomery county.

Over the weekend we will provide an update on the status of our operations.

**Please understand at this time we have no reason to believe anyone in our school community has contracted COVID-19 Coronavirus.**

Providing for the health, welfare, and safety and the young people and staff in our schools is of the utmost importance to us, as is keeping you informed of the actions we are taking to maintain healthy school and work environment. We appreciate your patience and cooperation as we work through this matter.

Sincerely,

IMS Central Office Team
